SUMMARY

Recent B.Sc. Computer Science and Engineering graduate from Independent University, Bangladesh, with a strong foundation in frontend development, networking, and graphics design. Skilled in web technologies, network configuration, and modern design tools through academic projects and internship experience. Passionate about creating efficient, user-friendly digital solutions and contributing to both technical and visual aspects of IT systems.

SKILLS

Programming	: Python, C++, Java, JavaScript
Web Development	: HTML, CSS, PHP, MySQL, Bootstrap
Software Tools	: Cisco Packet Tracer, Android Studio, Visual Studio Code
IT Support	: Computer Networking, Troubleshooting
Soft Skills	: Problem-solving, Collaboration, Time Management, Flexibility
Productivity Tools	: MS Office, Adobe Photoshop, Canva

WORK EXPERIENCE

Customer Support & Web Developer Intern, Dream71 Bangladesh Ltd.   **March 2025 - June 2025**
- Assisted in front-end development of 3+ client websites using HTML, CSS, and PHP, ensuring pixel-perfect layouts and responsive design.
- Improved customer satisfaction by resolving 95% of client-reported issues via email and chat.
- Collaborated with developers and designers to deliver projects on time and meet client expectations.

PROJECT

1. Office Management System (Full Stack)
Developed a complete office management system using HTML, CSS, JavaScript, PHP, and MySQL. Implemented features for employee management, attendance tracking, and task organization.

2. Pick and Place Robot
Designed and implemented a robotic arm using Arduino for automated object picking and placing, demonstrating practical applications of embedded systems and robotics.

3. Abahaoya – Weather App
Built a weather forecasting Android application using Java, integrating real-time weather data and location-based updates with a user-friendly interface.

4. To-Do List App
Created a simple and efficient task management application using Java, allowing users to add, edit, and delete tasks with data persistence.

EDUCATION

B.Sc. in Computer Science and Engineering (CSE)   **2020 - 2025**
Institute: Independent University, Bangladesh

Higher Secondary Certificate (HSC)   **2019**
Institute: Trust College, Dhaka
Group: Science

Secondary School Certificate (SSC)   **2017**
Institute: Sirajganj Collectorate School & College, Sirajganj
Group: Science

CERTIFICATES

- CISCO Module 1: "CCNAv7: Introduction to Network" (Issue Date: 21 May 2023).
- Champion in "Pick & Place Robo Race Competition" of TECH FEST AUTUMN 2022 hosted by the CSE Department, Independent University, Bangladesh.
- Internship Completion Certificate — Dream71 Bangladesh Ltd.
- Certificate for participation in the Spring LFE 2024 from Independent University, Bangladesh.

EXTRA CURRICULAR ACTIVITIES

Volunteering Activities

- Uddog Organization(2020): Supported community outreach programs.
- SETS FEST(2022): Contributed to event management and logistics for technical and cultural initiatives.
